To tidy, or not to tidy your playroom. That is the question for King Rollo in one of the four stories in this new collection. In the other three he makes breakfast in bed for Cook, thinks about keeping a dog, and has fun with masks. McKee's four frames per page pictures are packed with details and jokes: a visual running commentary on the action is carried by what must be the most delightfully funny and expressive cat in the business. Legions of King Rollo fans, old and young, will be queuing up for this one.
